

Physical Education (England)

Date	Review Date	Subject Leader	Nominated Governor
March 2019	March 2020	M Gill	

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Education Act 1996
- Education Act 1997
- Standards and Framework Act 1998
- Education (National Curriculum) (Temporary Exceptions for Individual Pupils ((England) Regulations 2000
- Education Act 2003
- Equality Act 2010

The following documentation is also related to this policy:

- Designing and Timetabling the Primary Curriculum - a practical guide for Key Stage 1 and 2 (Qualifications and Curriculum Authority 2002)
- National Curriculum in England: Mathematics programmes of study (DfE)
- Equality Act 2010: Advice for Schools (DfE)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)

We believe that 'a high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect. (The National Curriculum in England Framework Document (DfE) 2014)

We have a duty to ensure compliance with the National Curriculum and with the application of the new programmes of study and attainment targets. We understand that 'the National Curriculum provides pupils with an introduction to the core knowledge that they need to be educated citizens.'

Aims

- To ensure that all pupils develop competence to excel in a broad range of physical activities.
- To ensure that all pupils are physically active for sustained periods of time.
- To ensure that all pupils engage in competitive sports and activities.
- To ensure that all pupils lead healthy, active lives.
(The National Curriculum in England Framework Document (DfE) 2014)

Grange Park Infant & Nursery School

- To promote the teaching of numeracy and literacy within all subjects.
- To share good practice within the school.
- To work with other schools to share good practice in order to improve this policy.

- be encouraged to work in partnership with the school by making decisions and exercising choice in relation to their educational programme;
- listen carefully to all instructions given by the teacher;
- ask for further help if they do not understand;
- participate fully in all lessons;
- participate in discussions concerning progress and attainment;
- treat others, their work and equipment with respect;
- support the school Code of Conduct and guidance necessary to ensure the smooth running of the school;
- take part in questionnaires and surveys.

Policy Procedure

Teaching and Learning Style

We use a variety of teaching and learning styles in order to develop children's knowledge, skills and understanding.

Grange Park Infant & Nursery School

With the support of the Schools Sports Premium, children have access to a range of equipment as well as a wider curriculum offering opportunities to work with qualified sports coaches from local clubs who deliver taster sessions.

The standard of PE is sustained by working alongside Alan Watson, improving the quality of teaching throughout the school and boosting other teachers confidence by using effective strategies when delivering a high quality lessons. Pupils are encouraged to keep track of their 'personal best' and to assess and encourage each other.

Throughout the year, pupils are offered extra-curricular clubs as well as the opportunity and training to become play leaders to develop a whole school sports initiative, particularly concentrating on increasing participation and active healthy lifestyles.

We present children with the opportunity to participate in weekly sessions of yoga to increase strength, flexibility and balance. The practice of yoga will encourage pupils with physical limitations and disabilities, assisting with neuromuscular development and motor-development on both sides of the body. Yoga will teach children healthy ways of dealing stress and promote self-acceptance.

Curriculum Planning and Organisation

Teachers collaborate on the planning of the subject to ensure parity in provision and to share expertise. Curriculum planning is managed in three phases namely:

Long Term Planning:

- details what is to be taught over the year;
- provides teaching guidelines and overall objectives for each year group for the whole year.

Medium Term Planning:

- organises the subject into termly or half-termly sections;
- is more detailed and the objectives are more specific in nature;
- is developed by the teachers, who respond to the needs of their pupils;
- ensures a balanced distribution of work is undertaken across each term.

Short Term Planning:

- details the subject curriculum over the week;
- plans lessons in detail with specific class objectives;
- sets individual learning goals for each pupil.

Links with ICT

The use of information and communication technology will promote, enhance and support the teaching of this subject area.

Differentiation

Differentiation is best defined as 'the process by which differences between learners are accommodated so that all students in a group have the best possible chance of learning.' (Geoff Petty)

The main purpose of differentiation is to challenge and raise standards of learning by ensuring that curriculum objectives are accessible to all our children despite their backgrounds or abilities. We see differentiation as a form of integration and not exclusion.

Differentiation must reflect the learning objective and can be achieved in a variety of ways either by task, by support or by outcome and should be chosen by fitness for purpose.

We want all children to achieve success, therefore we will ensure they are given differentiated tasks that are matched to their level of attainment so that they can demonstrate successfully what they know, understand and can do.

The main feature of effective differentiation is good planning resulting in effective teaching and learning with children making good progress. Also we expect to see in all classes interested well motivated children responding to challenges, children working productively on task and being aware of their own progression.

Special Educational Needs

We want pupils with identified special educational needs to have full access to all subjects of the National Curriculum with teachers planning lessons that have no barriers to pupils achieving and with appropriate targets relating to the subject.

Assessment for Learning

Teachers will:

- carry out continuous assessment;
- use short-term assessments matched to the teaching objectives to adjust their planning;
- carry out medium-term assessments to measure progress against key objectives to adjust planning;
- carry out long-term assessment to assess progress against school and national targets.

Monitoring and Review of the Subject

Monitoring of standards of children's work and the quality of teaching is the responsibility of the subject coordinator supported by the Headteacher and the SLT.

Standards will be monitored by:

- looking at pupils work
- subject observations
- pupil discussions
- audit of subjects

Grange Park Infant & Nursery School

- scrutiny of planning
- general curriculum discussions

Contribution of the Subject to other Areas of the Curriculum

PE contributes to many subjects within the primary curriculum such as ICT, PSHE, Science, Literacy, Numeracy and Spiritual, moral, social and cultural development.

Resources

The school has a full range of resources to support the teaching of this subject throughout all year groups. Resources are upgraded and replenished when the need arises. An annual stock take and audit is undertaken by the subject coordinator in the summer term in preparation for the next academic year.

Raising Awareness of this Policy

We will raise awareness of this policy via:

- School website;
- Staff Handbook;
- Meetings with parents such as introductory, transition, parent-teacher consultations and periodic curriculum workshops;
- School events;
- Meetings with school personnel.

Training

All school personnel:

- have equal chances of training, career development and promotion
- receive training on this policy on induction which specifically covers:
 - National Curriculum programmes of study and attainment targets for all subjects
 - Curriculum
 - Teaching and learning
 - Planning
 - Differentiation
 - Assessment
 - Monitoring and Evaluation
 - Special Educational Needs
 - Academically More Able, Gifted and Talented Pupils
 - Key skills
- receive periodic training so that they are kept up to date with new information
- receive equal opportunities training on induction

Safeguarding: Supervision of Changing in the Classroom

Grange Park Infant & Nursery School

When pupils are changing, school personnel will:

- establish a code of behavior.
