

Week Beginning: 8/6/2020

Dear Nursery,

This week we are going to think about boats and water.

Row, Row, Row Your Boat

Row, row, row your boat
Gently down the stream.
Merrily, merrily, merrily, merrily,
Life is but a dream.

Row, row, row your boat
Gently down the stream.
If you see a crocodile,
Don't

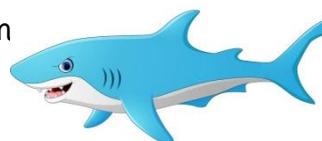

Do you remember this rhyme from Nursery, can you sing it at home? Maybe you could try and make up some of your own funny words for the rhyme.

Row, row, row your boat,
Gently down the stream

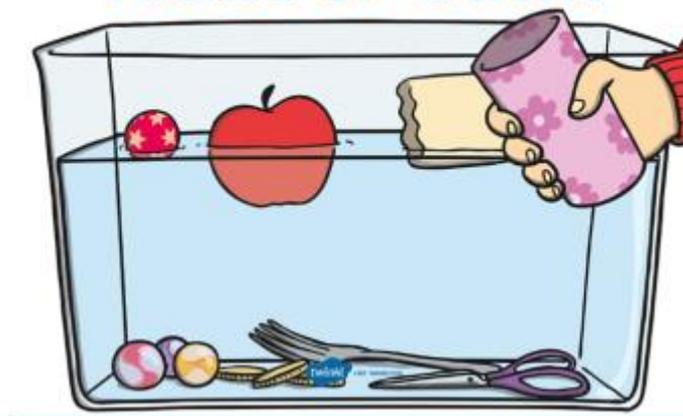

If you see a shark,

Don't forget to bark.

Ask Mummy or Daddy if you can find out about floating and sinking. Fill up a bowl, the bath or the sink and find some things in your house to put in the water. Do the things sink to the bottom or float on top of the water.

Float or Sink?

Before you put the things in the water try and guess whether they will sink or float.

Why do some things sink and other things float?

Week Beginning: 8/6/2020

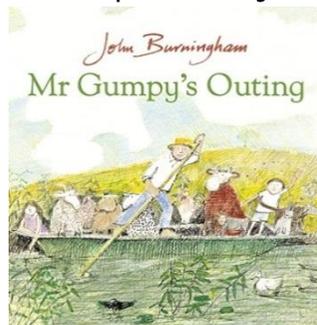

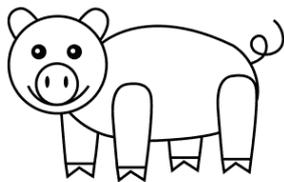

Can you make your own boat and try and float it on the water. You could use bricks that you have at home or maybe use some boxes from your shopping.

I think you will enjoy this story about Mr Gumpy and his boat. When you have finished listening to the story we would like you to draw pictures of all of the animals in the boat.

This week we would like you to count the things you see in your home. Can you draw what you have found?

How many beds?

How many chairs?

How many cups?

How many windows?

How many doors?

How many plates?

What do you have the most of?

What do you have the least of?

What else can you count in your home?

Do you remember doing Yoga at Nursery? Ask your family to follow the link below to find 'Yoga Time'. You can learn lots of new yoga poses as part of a story. It is really fun and very good exercise.

Everyday Activities for Nursery

Remember to try and hold your pencils correctly when you are drawing and colouring.

Left-handed

Right-handed

If you can draw the lines and shapes below it will mean you will find it easier to copy and then write letters.

PRE-WRITING SHAPES

Before your child can learn to write, he or she needs to be able to draw these shapes

 2 years	 2½ years	 3 years	 3½-4 years	
 4 years	 4½ years	 4½ years	 4 years 11 months	 5 years 3 months

 Children who can draw an oblique cross are able to copy more letters and numbers than children who cannot

Week Beginning: 8/6/2020

Don't forget to use 'Get Squiggling letters' on the CBeebies page to help you write your letters.

- Use the number packs we gave you to work on your number targets. If you achieve your target just go on to higher numbers. Remember to count the cubes and the spots and match the numbers. You can use anything to count with at home such as pencils, cars, bricks.
