

Week Beginning: 15/6/2020

Dear Nursery,

This week we have planned lots of different activities for you to do.

We would like you to practise counting by saying numbers forwards and backwards. If you can say your numbers up to 10 then try to 20. If you can say your numbers all of the way to 20 and back without making any mistakes then you could try counting to higher numbers.

If you are not very confident saying your numbers to 5 then work on that first.

Here are some ideas for questions that Mummy and daddy could ask you?

What comes before 5?
8?

What comes after 3?

What comes in between 6 and 8?

You may remember playing this game at Nursery, it's called Kim's game and it helps you to improve your memory.

How to Play Kim's Game:
- Collect 5 or more objects with your child.
- Hide them under a tea towel or cloth.

- Remove 1 object without showing your child.
- Reveal the objects that are left and ask your child to guess which object has been taken.

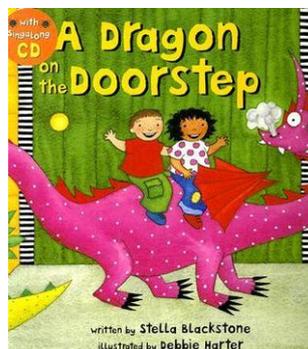

You can play this game with numbers, shapes, letters or even words. Ask Mummy or Daddy to draw numbers on pieces of paper. You look carefully at the numbers and then your adult will cover them with a cloth and take one number away. When they lift up the cloth again you have to work out which number has been taken away.

We think you will like the story 'A dragon on your doorstep' by Stella Blackstone. You can listen to the story and join in with the song if you click on the links below. When you have enjoyed the story you could play hide and seek in your house with your family, just like the animals and children in the story.

<https://www.youtube.com/watch?v=arCiAbqpgdo>

You could ask someone in your family to hide a toy for you. Then when you find it you could use some of these words to tell them where it was hiding.

We would like you to go on a shape hunt this week. We would like you to look for cylinders in your home, garden or if you go for a walk.

Remember a cylinder has a circle at the top and a circle at the bottom and can roll.

Here are some ideas about what you might find:

Count how many cylinders you can find inside and how many cylinders you find outside.

Ask Mummy or Daddy if you can have a cardboard roll, maybe from a toilet roll.

You can make your own cylinder people. If you don't have any cardboard rolls you could make your own by folding some paper or card.

Do you remember doing Yoga at Nursery? Ask your family to follow the link below to find 'Yoga Time'. You can learn lots of new yoga poses as part of a story. It is really fun and very good exercise.

Password: lam

Everyday Activities for Nursery

Remember to try and hold your pencils correctly when you are drawing and colouring.

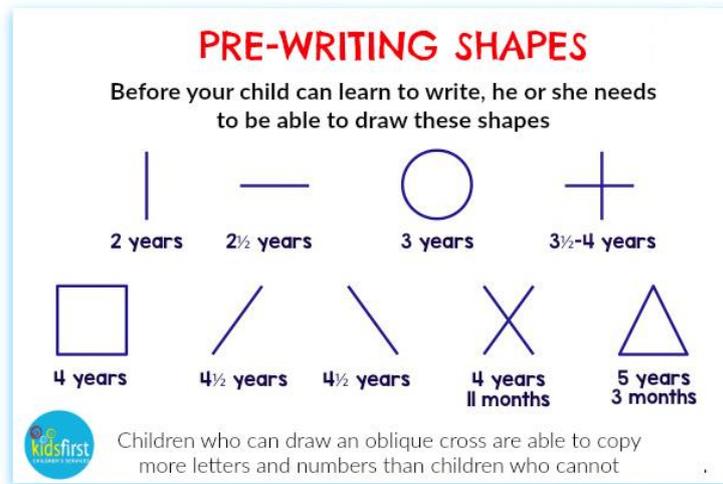

left-handed

right-handed

Week Beginning: 15/6/2020

If you can draw the lines and shapes below it will mean you will find it easier to copy and then write letters.

Don't forget to use 'Get Squiggling letters' on the CBeebies page to help you write your letters.

<https://www.bbc.co.uk/cbeebies/games/get-squiggling-letters-mobile>

Remember to use the Alphablocks to help you learn about letters.

<https://www.bbc.co.uk/cbeebies/shows/alphablocks>

Join in singing the Jolly Phonic Songs to help you remember the letters

<https://www.youtube.com/watch?v=26uXtUYssuo>

Phonics on Espresso

123

- Use the number packs we gave you to work on your number targets. If you achieve your target just go on to higher numbers. Remember to count the cubes and the spots and match the numbers. You can use anything to count with at home, such as pencils, cars, bricks.

<https://www.bbc.co.uk/cbeebies/shows/numberblocks>

Numberblocks is a great programme on Cbeebies each day at 7.00am. It might be a good idea to start from series 1 on BBC iPlayer or You Tube if you haven't seen any of the programmes before.

Don't forget to keep fit. Have you tried Andy's Wild workouts on: Cbeebies?
