

Week Beginning: 29/6/2020

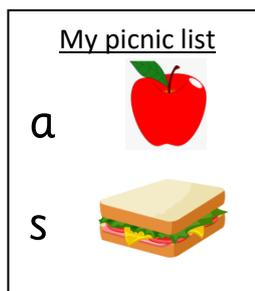

Dear Nursery,

This week we are thinking about picnics.

Can you make a picnic for your toys? It doesn't have to be a teddy bear picnic it can be any of your favourite toys. Put a blanket on the floor and ask Mummy or Daddy if you can have some cups and plates for your toys.

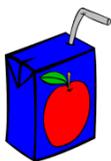

Maybe Mummy or Daddy will let you have a real picnic. You could have a picnic inside or in the garden or at the park. Can you think about what you would like to eat or what you would feed your toys? Make a list.

Draw a picture and write the first letter you can hear at the beginning of that word. If you are not sure about the sounds ask Mummy or Daddy to write the words and you can copy them.

You might want something cool to eat when you are having a picnic. You could make your own ice lolly. All you need is:

Small cup or an ice  
cube tray

Juice

Lollipop stick or small  
spoon

Put the juice in the cup or ice cube tray. Put the spoon or stick in the juice. Put it in the freezer. What happens to the juice? Why did it happen? What happens when you take the ice lolly out of the freezer? Why? Try and use some of these words:

Freeze

Melting

Changed

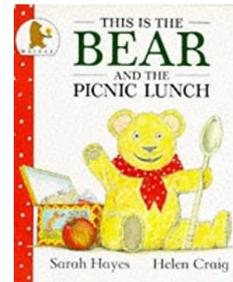

The same

It's different.

Week Beginning: 29/6/2020

We think you will like the story 'This is the bear and the picnic lunch' by Sarah Hayes

<https://www.youtube.com/watch?v=Sug-BImdDS8>

We would like you to try and measure your teddy bears or toys. You can use blocks or if you don't have blocks you could try pasta or pencils or anything else you have lots of at home and isn't too big.

Count the blocks or whatever you have used?

Can you write the number?

How tall is your toy?

Can you measure some of your other toys?

What is your tallest toy?

What is your shortest toy?

You might like the song 'If you go down to the woods today' all about the teddy bears having a picnic.

## Scissor Skills

Learning to use scissors is part of our curriculum and helps to strengthen your child's hand ready for writing. Here are some tips to help your child with scissors.

Remind your child that their thumb needs to be at the top when they are cutting. You could draw a face on their thumb or put a sticker to remind them.

- Make sure the scissors are being held correctly. At school scissors with a red handle are for children who are right handed and scissors with a green and yellow handle are for left-handed children.

Right- handed scissors

Left-handed scissors

- Children begin cutting by firstly learning to snip. To start with it is easier for children to snip pieces of card, thick paper or even play dough.

- Next children move to cutting across a short piece of paper,

- Children then move on to cutting along a line across a longer piece of paper

- Then cutting around shapes including curved lines and circles.

- Children who are struggling with scissors will benefit from doing other simple activities with their fingers ie tearing paper, using tweezers, using pegs, playing with finger puppets.

Here are some useful videos about scissor skills:

Remember to write your name every day and practise the letters of the alphabet. Here are two more words to read and spell if you can already write your name.

New words for this week:

for	can
-----	-----

Mum	Dad	it	look	the	in
It	The	and	big	no	is
up	dog	A	a	I	am
like	cat	he	go	day	away
me	on	for	can		

Can you make your own sentences with the words? Here are some ideas:

I like the cat.

The dog is big.

Mum is big.

I like the dog.

- Use the number packs we gave you to work on your number targets. If you achieve your target just go on to higher numbers. Remember to count the cubes and the spots and match the numbers. You can use anything to count with at home, such as pencils, cars, bricks.

<https://www.bbc.co.uk/cbeebies/shows/numberblocks>

Numberblocks is a great programme on CBeebies each day at 7.00am. It might be a good idea to start from series 1 on BBC iPlayer or You Tube if you haven't seen any of the programmes before.

Don't forget to keep fit. Have you tried Andy's Wild workouts on:
