

Week Beginning: 1/6/2020

Dear Nursery,

This week I want you to have a look at different colours.

I would like you to go on a colour hunt around your house and find as many things as you can of the following colours:

Now count how many things you have of each colour. Can you write the number to match each colour?

Maybe you could find some different coloured things when you go out for a walk with your family?

What is your favourite colour? Ask mummy or daddy to help you write a sentence about your favourite colour.

I like red.

If you are not sure how to write the words then ask someone to write it for you and you can copy the letters.

Week Beginning: 1/6/2020

You can enjoy the colourful story 'Brown Bear Brown Bear' by Bill Martin. You might remember the story from Nursery

We think you will really like this book all about mixing paint colours together.

If you have any paints at home you could try mixing your own colours.

If you don't have any paints you could try making a picture with felt tip pens, kitchen paper and water.

Draw some colours or a picture on the paper towel and then add some drops of water. What happens to your colours? Do they stay the same or are they different?

Week Beginning: 1/6/2020

This week you could try and make letters and numbers out of the things you find in your house, garden or when you go for a walk. You could try and make your whole name or even a different word.

Do you remember doing Yoga at Nursery? Ask your family to follow the link below to find 'Yoga Time'. You can learn lots of new yoga poses as part of a story. It is really fun and very good exercise.

### Everyday Activities for Nursery

Remember to write your name every day and practise the letters of the alphabet. Here are two more words to read and spell if you can already write your name.

New words for this week:

he	go
----	----

Mum	Dad	it	look	the	in
It	The	and	big	no	is
up	dog	A	a	I	am
like	cat	he	go

# 123

Use the number packs we gave you to work on your number targets. If you achieve your target just go on to higher numbers. Remember to count the cubes and the spots and match the numbers. You can use anything to count with at home such as pencils, cars, bricks.

Numberblocks is a great programme on CBeebies each day at 7.00am. It might be a good idea to start from series 1 on BBC iPlayer or YouTube if you haven't seen any of the programmes before.

Don't forget to keep fit. Have you tried Andy's Wild workouts on CBeebies?

I know that some of you are following the Reception Oak National Academy lessons each day, keep up the good work and follow the daily schedule of online video lessons.
