

Week Beginning: 8/6/2020

Dear Nursery,

This week we are going to think about boats and water.

Every day we would like you to work on letter sounds, for 10 minutes. The teacher on the film will help you with your sounds and remind you how to write your letters. She will show you some new pictures to match to the letters and this will help you when you start in big school.

When you get to the page you will need to scroll down to find 'Set 1 Speed Sounds'. The new sound will be there from 9.30 am each day and stay on for 24 hours.

Row, Row, Row Your Boat

Row, row, row your boat
Gently down the stream.
Merrily, merrily, merrily, merrily,
Life is but a dream.

Row, row, row your boat
Gently down the stream.
If you see a crocodile,
Don't

Do you remember this rhyme from Nursery, can you sing it at home? Maybe you could try and make up some of your own funny words for the rhyme.

Row, row, row your boat,
Gently down the stream

If you see a shark,

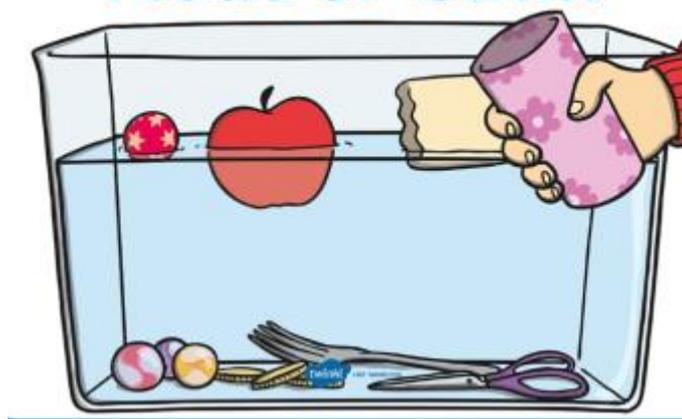

Don't forget to bark.

Ask Mummy or Daddy if you can find out about floating and sinking. Fill up a bowl, the bath or the sink and find some things in your house to put in the water. Do the things sink to the bottom or float on top of the water.

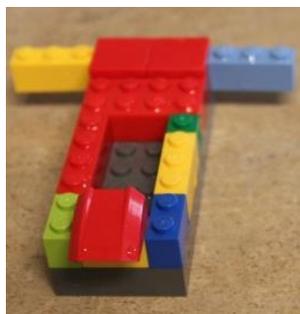

Float or Sink?

Before you put the things in the water try and guess whether they will sink or float.

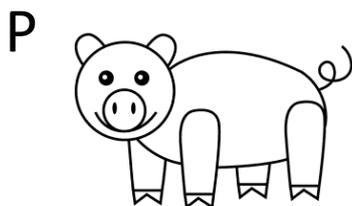

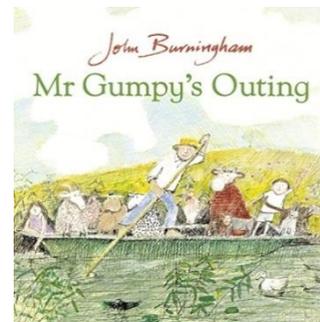

Why do some things sink and other things float?

Can you make your own boat and try and float it on the water. You could use bricks that you have at home or maybe use some boxes from your shopping.

I think you will enjoy this story about Mr Gumpy and his boat. When you have finished listening to the story I would like you to make a list of all of the animals in the boat. First of all draw a picture of each animal and then write the sound it begins with next to your picture. You might be able to hear more sounds and write them.

If you are not sure of the sound at the beginning you could ask Mummy or Daddy to write it and you could copy it.

This week we would like you to count the things you see in your home. Can you draw what you have found and write the number to match?

How many beds?

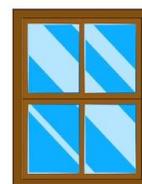

How many chairs?

How many cups?

How many windows?

How many doors?

How many plates?

What do you have the most of?

What do you have the least of?

What else can you count in your home?

Do you remember doing Yoga at Nursery? Ask your family to follow the link below to find 'Yoga Time'. You can learn lots of new yoga poses as part of a story. It is really fun and very good exercise.

Everyday Activities for Nursery

Remember to write your name every day and practise the letters of the alphabet. Here are two more words to read and spell if you can already write your name.

New words for this week:

day	away
-----	------

Mum	Dad	it	look	the	in
It	The	and	big	no	is
up	dog	A	a	I	am
like	cat	he	go	day	away

Don't forget to look at the reading books on the Oxford Owl page. You need to make a password and login but it is free to use. Some of the first books don't have any words and you can make up your own story using the pictures. There are some really good story games to play all about the books.
