

Week Beginning: 6/7/2020

Dear Nursery,

This week we are we have planned lots of different things for you to

This week we want you to make your own school. Collect your toys together and you can be the teacher. Can you read them a story, teach them a song or to play a game. Ask Mummy or Daddy to come to your school, what can you teach them?

Can you make your own band? Collect together some pans, boxes or anything you think will make a nice sound. Find something to hit the pans and boxes with, you could use a wooden spoon or a pencil.

Try and make your own instrument form a cardboard box and some string or elastic bands. You could put some rice or pasta into a plastic bottle or a cup to make a shaker.

Sing your favourite songs and play your instruments!

We would like you to use your foot steps to measure the different rooms in your house. You can even try your garden if you have one.

How many foot steps is the bathroom?

How many foot steps is the bedroom?

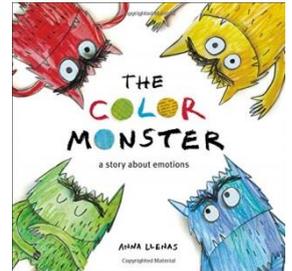

How many foot steps is the kitchen?

Which is the biggest room? Now ask Mummy or Daddy to count their footsteps. Do they get the same number as you? Why is it different?

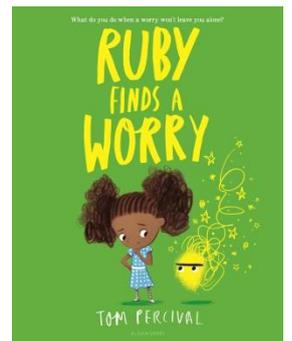

This week we have found some lovely stories about feelings. The first book is called 'The Color Monster' by Anna LLenas

This book is called 'Ruby finds a worry' by Tom Percival.

<https://www.youtube.com/watch?v=VCyiiHI2SJU>

Draw a picture of how you are feeling today.

Talk to an adult about why you are feeling like that.

It is important that you learn how to do things for yourself so that you are independent. Here are some of the things you can practise.

Can you use a knife and fork? Try and use them every day at home, you could even practise with play dough.

This is a fun way to learn how to put your coat on:

Learning to do buttons

When you know how to undo buttons you are ready to learn to fasten them.

- Lay your shirt flat.
- Start at the bottom.
- Put your thumb on top of the button.
- Push the button through the hole and pull it with the other hand

This is a useful video about how to learn to do buttons:

You will need to learn to dress and undress yourself. Start with one piece of clothing until you can do them all!

Week Beginning: 6/7/2020

Do you remember doing Yoga at Nursery? Ask your family to follow the link below to find 'Yoga Time'. You can learn lots of new yoga poses as part of a story. It is really fun and very good exercise.

Everyday Activities for Nursery

Remember to try and hold your pencils correctly when you are drawing and colouring.

If you can draw the lines and shapes below it will mean you will find it easier to copy and then write letters

PRE-WRITING SHAPES

Before your child can learn to write, he or she needs to be able to draw these shapes

 2 years	 2½ years	 3 years	 3½-4 years	
 4 years	 4½ years	 4½ years	 4 years 11 months	 5 years 3 months

 Children who can draw an oblique cross are able to copy more letters and numbers than children who cannot

Don't forget to use 'Get Squiggling letters' on the CBeebies page to help you write your letters.

Week Beginning: 6/7/2020

Numberblocks is a great programme on CBeebies each day at 7.00am. It might be a good idea to start from series 1 on BBC iPlayer or You Tube if you haven't seen any of the programmes before.

Don't forget to keep fit. Have you tried Andy's Wild workouts on:
