

Year Two Home Learning

My school year memories

Can you email your teacher and tell them your favourite things about school and the things you have enjoyed most in Year Two this year?

Think about.....

- Your favourite moments
- Your favourite books or stories
- The funniest thing that happened
- The best thing you learnt
- The activities you enjoyed the most
- Who your friends at school are
- What you are looking forward to for next year in Year Three

You could write your ideas under these subheadings or even create your own memory poster with drawings too!
