

If anyone in your household:

- has symptoms of COVID-19
- has been told to self-isolate by NHS 111 or NHS Test and Trace
- is waiting for a test, or
- is waiting for the results of a test

YOU MUST NOT send your child to school otherwise you are putting all members of the school community at risk.

Children should stay at home for 14 days from the first day someone in your household experiences symptoms. This means anyone that lives with your child.

If the person experiencing symptoms receives a negative test result (i.e. not COVID-19) then your child can return to school provided they do not have any symptoms of Coronavirus and are feeling well.

If your child develops a **temperature**, a **continuous cough** or a **loss or change of their sense of taste or smell**, you must keep them at home for at least 10 days and contact NHS 111 or your GP and seek advice.

Please keep in touch with the School Office to let us know the results of tests or onset of symptoms by sending an email to grangekinf@gpin.school.

FLU VACCINATIONS

Many parents have been asking about flu vaccinations recently and they will be given by the NHS School Nursing Team on Tuesday 17th November. The vaccination will be a simple, quick and painless spray given up the nose. Consent forms will be emailed to parents when we return after the half term holiday.

UPDATING CONTACT DETAILS

If you have **moved** or have changed any contact details, including **email addresses** or **telephone numbers**, please send an email to grangekinf@gpin.school with your child's name and class so that their records can be updated.

For the safety of the whole school community, please remember to **keep at least 2 metres away** from others in the playground and **wear a face covering** if you can.

If your child is unwell, please let the School Office know by calling **0203 886 0887** and pressing **1** to leave a message. Please keep us informed of any new numbers or addresses in case of emergency.
